

Course Description:

This course will provide an overview of the SD Health Education Standards, core concepts, and skill categories to provide education professionals with a framework to most effectively align instruction, curriculum, and assessment of health education.

Target Audience

- Elementary Teachers
- Curriculum Directors
- Health Education Teachers
- Administrators
- School Counselors
- School Nurses
- Parents
- Others Interested

Graduate and DOE Renewal Credit

Approval has been requested for one graduate credit from Black Hills State University for \$59.00 or Augustana College for \$50.00, or one Certificate Renewal Credit from the Dept. of Education. You may also take the course for no credit.

For further questions, please contact Coordinated School Health Dept. of Education (605-773-3261)

The VISION for South Dakota Health Education Standards

"Improve educational achievement and the health of SD students, by developing students who are health literate."

A Health Literate Student is:

- A critical thinker and problem solver
- A responsible productive citizen
- A self directed learner
- An effective communicator

Technical Requirements:

- Computer with Internet Access
- Computer capable of using Microsoft Internet Explorer, version 5.0 or higher
- High speed access preferred; High-speed dial-up is adequate
- Valid email account
- Word processor (Microsoft Word or rich text format)

Course Objectives

Participants will:

- Exhibit competence in understanding the SD Health Education Standards including the core concepts and skill categories.
- Describe the importance of aligning standards, assessment, and instructional activities.
- Practice scoring student work.
- Differentiate between assessment for the purpose of accountability and assessment for the purpose of instructional improvement.
- Learn the skills and components of a web-based course.

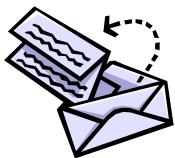

Attendance and Participation:

- Visit the site several times a week and respond to postings
- Complete all activities
- Participate regularly on on-line discussions
- Expect to spend 3-4 hours per week on-line
- Complete all assignments on time
- Complete an on-line evaluation
- Make-up work will be agreed upon with the Instructor
- Plagiarism and cheating are not acceptable
